ANCHORAGE DOWNTOWN PARTNERSHIP ltd.

Anchorage Downtown Partnership, Ltd. is a non-profit charged with management of 120 square blocks of the Downtown Improvement District (DID). We provide clean, safe, and vital services, marketing and event programming, and serve as an advocate for the business and property owners within the DID.

Downtown property owners created the improvement district to help improve the cleanliness of downtown, decrease crime, increase occupancy rates, investment values and lease income, stimulate economic development, and improve quality of life in downtown.

Each year we plan over 100 free events, bringing 110,000 people into downtown Anchorage who spend money at our brick-and-mortars, experience a vibrant downtown, and leave with the realization that our community is clean and safe.

SAFETY + MAINTENANCE

Our maintenance Ambassadors work seven days a week to provide services designed to maintain a clean, attractive, and orderly Downtown. They serve as Ambassadors of Downtown for visitors, residents, businesses, and property owners, and assist with public maintenance issues.

As the “eyes and ears” of downtown, Ambassadors aid local businesses and our thousands of visitors as they patrol the streets. They provide helping hands by assisting emergency services personnel with accidents, intervening with youth at risk, and working closely with Anchorage Police and other emergency response services. The Ambassadors have become a vital part of making downtown Anchorage a safer place while enhancing our community-based quality of life.

The Ambassadors work 7 days a week from 5 am – 8 pm. Nighttime patrol runs 5 nights a week Tuesdays - Saturdays from 8 pm - 5 am assisting with trespassing on private property.
